The student education record disclosed on this transcript is maintained and released in accord with Public Law 93-380, Sec. 438, [The Family Educational Rights and Privacy Act](#). Policy of Fordham University pertinent to this legislation is available from the Office of Academic Records.

As of October 5, 2015, for crimes of violence, including but not limited to sexual violence, defined as crimes that meet the reporting requirements pursuant to the federal Clery Act, a notation will be placed on the transcript of students found responsible after a conduct process. It will be noted that they were "suspended after a finding of responsibility for a code of conduct violation" or "expelled after a finding of responsibility for a code of conduct violation." For a respondent who withdraws from Fordham while conduct charges are pending and declines to complete the conduct process, a notation will be placed on the transcript that the student "withdrew with conduct charges pending." For more information, see the Policy on Transcript Notations and Appeals in the University Regulations section of the Student Handbook.
